

“Florida on the Move”

The theme for the TRANSPLEX photo contest is “Florida on the Move”. Please submit photos that demonstrate how people and goods are being moved throughout Florida. Keep all modes of transportation in mind -- highways, bridges, aviation, railroads, seaports, transit, bicycles, pedestrians and even our spaceport.

Florida’s historic locations, natural beauty and other attractions provide a wealth of “photo ops”. Be creative in the subject and composition of your photo(s). Who knows, you may see your photo(s) on the cover of a Florida transportation publication or on a Web site. Good luck in helping us show “Florida on the Move”.
